

DECLARATION OF THE CHOICE OF LANGUAGE

Pursuant to the Resolution of the Senate of the University of Lodz No. 458, dated as of 6 April 2012, learning foreign languages under the foreign language course is completed with the exam at B2 level after first-degree studies and B2+ level after five-year MA studies.

Please note:

- We recommend continuation of the foreign language that was your high-school final exam subject.
- We inform that learning of the first foreign language under the course **should not** be started at the level lower than A2 /B1.

Given the resolution provisions, the diagnostic test score, and the results of my high-school final exam, I choose the following language:

- | | | | |
|-----------|-------|----|----|
| • English | - | B1 | B2 |
